

FAQs – An Evening of Hope with Paul Hawken: Ending the Climate Crisis in One Generation

WHO Is Paul Hawken & WHY is the event being held? [Paul Hawken](#) is a visionary, environmentalist, entrepreneur, and best-selling author who has brought to our attention ways in which individuals, communities, business, governments, science and students can come together and take action to regenerate life on earth and reverse global warming. The volunteer and service organizations, Communities for Sustainable Monterey County and Rotary Club of Monterey Cannery Row have collaborated to host this event to inspire, grow local action efforts, and raise funds which will support their respective missions.

WHERE will the event be held?

CSUMB's LEED-certified Otter Student Union, Bldg. #552 @ 3118 Inter-Garrison Road, Seaside, CA
